

Project Design Phase-II Data Flow Diagram & User Stories

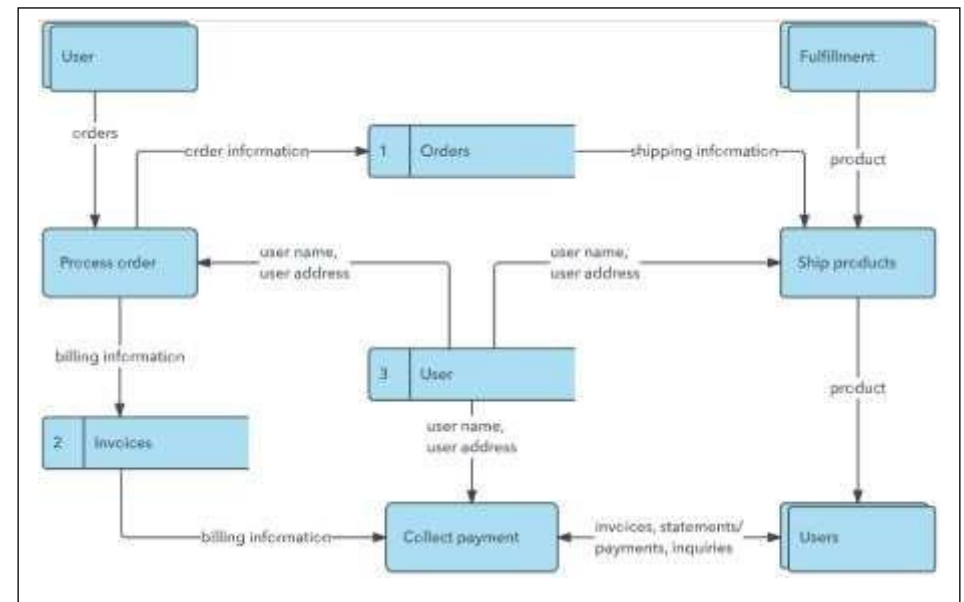

Date	06/05/2023
Team ID	NM2023TMID16483
Project Name	PAWS & CLAWS: THE PREMIER PET EMPORIUM

Data Flow Diagrams:

A Data Flow Diagram (DFD) is a traditional visual representation of the information flows within a system. A neat and clear DFD can depict the right amount of the system requirement graphically. It shows how data enters and leaves the system, what changes the information, and where data is stored.

DFD Level 0:

User Stories
